

Why Evolution is a Fraud

A Secular & Common-Sense Deconstruction

Written like a newspaper article, this non-technical and ground-breaking book shatters one of the most controversial issues of our time. No science background required! Even if you hated your science classes, this easy-to-understand and heavily-researched book equips you with the undeniable facts that have been ignored by the media and hidden by academics for decades. Discover the shocking truth of...

Why racism is essential to evolution

Why evolution is mathematically impossible

How genetics annihilates evolution

Evolution and the Holocaust

What usually happens when evolution is attacked

Why evolution is today's 'flat-earth theory'

Why people falsely accept evolution as fact

How evolution devalues real sciences

Why evolutionists must attack people of faith
